

UNIVERSITY OF COMPUTER STUDIES, HINTHADA

Kayin Kyaung Street, South Tarngarsal Quarter, Hinthada Township, Ayeyarwaddy Division

INTERNSHIP WEEKLY ACTIVITY REPORT

(To be completed by intern)

Your weekly report should be detailed and specific, citing what you are working on or completed that week answering the following questions.

1. Describe your work for this reporting period. (include samples of your work via attachments if your company supervisor allowed)
2. What was your biggest success and what did you learn?
3. What was your biggest problem? What did you learn? How did you solve?
4. Were there any other problems that you think we should know about?
5. Did anything you learned at the University particularly help you?
6. Is there something you wish you had been taught that would have helped you?
7. Do you need any skills to improve your work?
8. You're rating of your overall progress.
